# **St. PAUL'S PUBLIC SCHOOL**

Pattegarapalya, Prashanthnagar, Bengaluru - 560 079

## **INTRODUCTION**

St. PAUL'S PUBLIC SCHOOL is dedicated to the development of each student's potential in a positive environment. The school is an integrated community of parents, teachers and children across the country. The school follows the dictum: Parents are first; Teachers are Second Parents.

## **OUR MISSION**

St. PAUL'S PUBLIC SCHOOL, Prashanthnagar has values and academic excellence thus provides high standards for educational excellence to their students. We stimulate creativity and develop problem solving capability in each student. As a family oriented school, we believe that partnership between family and school is the foundation of a student's fulfillment and success in later life.

St. PAUL'S PUBLIC SCHOOL, within a dignified and supportive setting, promotes excellency in Academic, Artistic, Moralistic, Leadership Quality, Physical and Emotional development of all students, so that they can pursue excellence in their lives and career and play effective roles in their families and communities.

## **OUR MOTTO**

**EMPOWERING TO REACH BEYOND**

## **OUR VISION**

The School motto is to facilitate & nourish students to reach beyond their potential. As per the slogan of Swami Vivekananda

**“ Arise! Awake! and stop not until the goal is reached. ”**

The Education system, besides providing an all-round education intellectually, socially, emotionally and physically, also offers guidance in critical thinking, social openness and in purposeful research. Students are given opportunities to develop their own talents as well as to be aware of national and global issues, while contributing to the healthy development of the needs of their own school campus and community.

## **A WORD TO STUDENTS**

When you give the minimum to learning you receive only the minimum in return. Despite your parent's best examples and the teachers' unique efforts, eventually it is your work that determines how much and how well you learn. You forfeit your chance for life at its fullest when you withhold your best efforts in learning. If you do not, you will have your future thrust upon you by others. You must take hold of your life, apply your gifts and talents and work with dedication and self-discipline. You should have high expectations of yourself and convert every challenge into an opportunity.

**EMPOWER THE KNOWLEDGE**  
**TO REACH BEYOND**

## **SCHOOL PRAYER**

This is my prayer to Thee  
My lord Strike, Strike at  
the root of penury in my heart

Give me the strength lightly  
to bear my joys and sorrows.

Give me the strength to  
make my love fruitful in service.

Give me the strength never  
to disown the poor or bend  
my knees before insolent might.

Give me the strength to  
raise my mind high above  
daily trifles.

And give me the strength to  
surrender my strength to thy  
will with love.
